They shine
through the darkness, a light for the upright;
they are gracious, merciful, and just. ~ *Psalm 112:4*

5th Sunday in Ordinary Time Reflection

"Let your light shine before others, that they may see your good works and give glory to your Father who is in heaven." (Matthew 5:16) The generosity of being a good steward of your gifts has a positive effect on people, and it is contagious! Good works encourage more good works. Let your light shine! Be careful to recognize that God is working through you and don't put yourself above the people you have been called to help.

3 Things You Might Not Know About St. Valentine

(1) **It's quite possible that there actually are *three St. Valentines, all with the same feast day – February 14.*** The first St. Valentine was a physician-priest who lived in Rome in the third century. He joined with St. Marius in efforts to comfort the martyrs of the persecution of Christians by Emperor Claudius II. St. Valentine himself was arrested, beaten, condemned to death and beheaded for his beliefs on February 14, AD 270. He was buried on the Flaminian Way and Pope Julius I later built a basilica over St. Valentine's tomb. His relics were moved to the Church of St. Praxedes in the 13th century. It's believed that this is the St. Valentine after which the day was named. The second St. Valentine was Bishop of Interamna (present-day Terni, 60 miles outside of Rome). He, too, suffered under the persecution of Claudius II and was arrested, scourged, and beheaded. No more is known of him. The third St. Valentine was martyred in Africa with several companions and that is all that's known about him. **All three of these St. Valentines have one thing in common: Each died for the love of God.**

(2) The popular customs of displays of love and affection on St. Valentine's Day dates back to the Middle Ages. At that time, it was commonly believed in England and France that birds began mating each year on February 14. English poet Geoffrey Chaucer wrote about this in his famous poem, "Parliament of Foules" (in Old English).

"For this was on Seynt Valentyne's day. When every foul cometh ther to choose his mate."

And so, in addition to the saints' behavior, the birds' love-struck behavior added to the feast by giving it the dimension of a day for lovers.

(3) It makes sense that St. Valentine has been named the patron of lovers – engaged couples and happy marriages. But he also is the patron saint of young people and epilepsy.

Happy St. Valentine's Day!

Saint of the Week

St. Scholasatica
DATES: 480-547
Feast Day—February 10

Scholastica and her brother, St. Benedict, were born to a wealthy Christian family in Nursia, Italy. Details of their lives come from the Dialogues of St. Gregory the Great. After Benedict established his monastery at Monte Cassino, she founded a convent at Plombariola, and was its abbess for many years. The siblings met once a year outside Monte Cassino. At their final meeting, Scholastica begged Benedict to stay the night and, when he wouldn't, she asked God for help. A violent storm ensued and Benedict had to stay. They spent the night discussing the joys of heaven, and she died three days later. Scholastica is the patron saint of Benedictine nuns and convulsive children.

How about making a Cursillo weekend?
Cursillo or "short course in Christianity" is an uplifting and educational experience. Cursillo was brought from Spain to the United States in 1962. The weekend is facilitated by a team of laypeople and clergy who deliver organized talks and discussions. What the presenters add to the talks is the witness of their own lives, their struggles and triumphs in Christ. The weekend is full of laughter, prayer, great music, wonderful meals and so much more. Our 2020 dates are: Men's – February 6-9, and September 10-13; and Women's May 28-31 and October 22-25. All Weekends will be held at the Immaculate Conception Spiritual Renewal Center in Putnam, CT.
